Baked potato, boiled potato, 'tato mashed with cheese  
Big potato, small potato, more potato please!

## Cauliflowers Fluffy

Cauliflowers fluffy and cabbages green  
Strawberries sweeter than any I've seen  
Beetroots purple and onion white  
All growing steadily day and night  
The apples are ripe, the plums are red  
Broad beans are sleeping on a blanket bed.

Each day different and every day new.

## When goldilocks went to the house of the bears

When goldilocks went to the house of the bears  
what did her blue eyes see?

A bowl that was huge, a bowl that was small  
a bowl that was tiny and that was all  
she counted them 1, 2, 3

When goldilocks went to the house of the bears  
what did her blue eyes see?

A chair that was huge, a chair that was small  
a chair that was tiny and that was all  
she counted them 1,2,3

When goldilocks went to the house of the bears  
what did her blue eyes see?

A bed that was huge, a bed that was small  
a bed that was tiny and that was all  
she counted them 1,2,3

When goldilocks went to the house of the bears  
what did her blue eyes see?

A bear that was huge, a bear that was small  
a bear that was tiny and that was all  
she counted them 1,2,3

## The Farmer gathers his hay today

The farmer gathers his hay today, It's harvest time  
The farmer gathers his hay today, It's harvest time  
He cuts it down and stacks it high,  
Gives is shake, then leaves to dry.  
The farmer gathers his hay today, It's harvest time.

The farmer gathers his apples today, It's harvest time  
The farmer gathers his apples today, It's harvest time  
Red and rosy, juicy and sweet,  
Lots of apples for us to eat.  
The farmer gathers his apples today, It's harvest time.

The farmer gathers his corn today, It's harvest time  
The farmer gathers his corn today, It's harvest time  
It grows up high, turns golden brown  
The he comes and cuts it down.  
The farmer gathers his corn today, It's harvest time.

## All the leaves are falling down

All the leaves are falling down  
Falling down, falling down  
All the leaves are falling down  
Now it's autumn

Spinning spinning round and round  
Round and round, round and round  
Spinning spinning round and round  
Now it's autumn

Softly floating not a sound  
Not a sound, not a sound  
Softly floating not a sound  
Now it's autumn

See them lying on the ground  
On the ground, on the ground  
See them lying on the ground  
Now it's autumn

(fast) Now they're blowing all around  
All around, all around  
Now they're blowing all around  
We like autumn

Faster faster all around  
All around, all around  
Faster faster all around  
We LOVE autumn

## **Dingle Dangle Scarecrow**

When all the cows were sleeping and the sun had gone to bed,  
Up jumped the scarecrow and this is what he said,  
“I’m a dingle dangle scarecrow with a flippy floppy hat,  
I can shake my hands like this and shake my feet like that.”

When all the hens were roosting and the moon behind the cloud  
Up jumped the scarecrow and shouted very loud,  
“I’m a dingle dangle scarecrow with a flippy floppy hat,  
I can shake my hands like this and shake my feet like that.”

## **Chop, chop, choppity chop**

Five little leaves so bright and gay  
Were dancing around on a tree one day.  
The wind came blowing thorough the town  
Whooo - And one little leaf came tumbling down.

Four, three, two, one.....

Five little leaves so bright and gay  
Were lying down on the ground one day.  
The wind came blowing thorough the town Whooo –  
And five little leaves went flying around.

## This is the way we

This is the way we clean the house, clean the house, clean the house,  
This is the way we clean the house on a bright Diwali morning.

This is the way we put on our clothes, put on our clothes, put on our clothes,  
This is the way we put on our clothes on a bright Diwali morning.

This is the way we sprinkle the colours, sprinkle the colours, sprinkle the  
colours,  
This is the way we sprinkle the colours on a bright Diwali morning.

This is the way we light the lights, light the lights, light the lights,  
This is the way we light the lights on a bright Diwali evening.

This is the way we greet our friends, greet our friends, greet our friends,  
This is the way we greet our friends, on a bright Diwali evening.  
'Nemaste'

The fireworks go bang bang bang, bang bang bang, bang bang bang,  
The fireworks go bang bang bang on a cold Diwali evening.

Fetch the engines, fetch the engines.  
Fire fire, Fire fire!  
Pour on water, pour on water.

## Five Little Fireworks

5 little fireworks standing in a row,  
5 little fireworks standing in a row,  
And if 1 little firework decides it time to go,  
Whoosh!  
There'll be 4 little fireworks standing in a row  
3..... 2 ..... 1

## **There's a spider on the floor**

(to the tune of she'll be coming round the mountain)

There's a spider on the floor, on the floor  
There's a spider on the floor, on the floor  
    There's a spider on the floor,  
    And he's coming through the door  
There's a spider on the floor, on the floor

Now the spider's on my knee, on my knee  
Now the spider's on my knee, on my knee  
    Now the spider's on my knee,  
    And he's looking right at me  
Now the spider's on my knee, on my knee

Now the spider's on my tummy, on my tummy  
Now the spider's on my tummy, on my tummy  
    Now the spider's on my tummy,  
    And I think I want my mummy  
Now the spider's on my tummy, on my tummy

Now the spider's on my arm, on my arm  
Now the spider's on my arm, on my arm  
    Now the spider's on my arm,  
    And he won't do any harm (will he?)  
Now the spider's on my arm, on my arm

Now the spider's on my head, on my head  
Now the spider's on my head, on my head  
    Now the spider's on my head,  
    Can he come to you instead?  
And the spider on my head has just jumped off.

There's a spider on the floor (fast).....
