

# What we are learning over the next fortnight... at Nursery School

Reading

- Reading stories about healthy food and making bread. (Curricular Intention 4: To lay the foundations to become confident reader.)

Exploring

- Exploring the Nursery School outside environment looking for signs of Autumn. (2. To lay the foundations to become a confident communicator)

Counting

- Learning Autumnal number rhymes and songs about vegetables. (Curricular Intention 8: To develop number sense)

Singing

- Learning our core nursery rhymes and songs (Curricular Intention 10: To develop skills and processes for self-expression, creating with a purpose in mind).

Talking

- Sharing our experiences and talking about the changes we see in the weather as we enter the Autumn season. (Curricular Intention 2: To lay the foundations to become a confident communicator.)

How about trying the following activities at home...

- # 22 - My Secret Treasures
- # 27 - Little People Park Keeper
- # 47 - Great Bedford Baking
